PURPOSE

Effective July 1, 1998, the licensing fee assessed by the Department of Alcohol and Drug Programs (ADP) for licensed DUI programs will be temporarily reduced from \$14 to \$12 per newly enrolled participant.

DISCUSSION

This reduction is being implemented due to accumulation of excess fees in the DUI Program Licensing Trust Fund. However, the licensing fee may be reinstated to the \$14 payment level if and when the excess revenues are depleted from the trust fund.

Enclosed are revised Quarterly Licensing Fee and Participant Enrollment Report forms. These forms are to be used for reporting participants who enroll **on or after July 1, 1998 (First Quarter of Fiscal Year 1998-99)**, for payment of licensing fees and reporting quarterly enrollments. Please modify all pertinent forms to implement this fee change.
